2026

ELECTION GUIDE

All elections are important. This election is no different. On or before November 3, you will be asked to select who will become the Governor (and Lieutenant Governor), Attorney General, Auditor of State, Secretary of State and Treasurer of State; who will serve as your U.S. Senator for the remainder of the term ending January 3, 2029; and who will serve as your member of the U.S. House of Representatives for the next 2 years, two Associate Justices who will serve on our Ohio Supreme Court for the next 6 years, who will serve as your Ohio Senate member (in 17 of the seats open this election) for the next 4 years, all 99 members of the Ohio House of Representatives, and a proposed constitutional amendment and other important local issues throughout the state.

The “2026 Election Guide” was compiled to help provide you with guidance on which candidates have been endorsed or preferred by major trade associations and business groups, or have been favorably recognized by an organization for the November 3 general election. Some candidates can claim to be pro-business, but only those individuals with a good track record or who have been thoroughly screened have earned an endorsement or preference by state and national associations that represent the business community. A labor organization provides additional insight on candidate endorsements from across the political spectrum.

The organizations and offices used to compile this information include: [Ohio Chamber of Commerce \(OCC\)](#), [National Federation of Independent Business \(NFIB\)](#), [Americans for Prosperity–Ohio \(AFPO\)](#), [Ohio Farm Bureau Federation \(OFB\)](#), [Ohio Society of CPAs \(CPA\)](#), [Ohio State Medical Association \(OSMA\)](#), [Ohio Nurses Association \(ONA\)](#), [Associated Builders and Contractors of Ohio \(ABC\)](#), [Ohio AFL-CIO \(AFL\)](#), [Affiliated Construction Trades of Ohio \(ACT\)](#), [Ohio State Building and Construction Trades Council \(OSBT\)](#), [Fraternal Order of Police of Ohio \(FOP\)](#), [Ohio Secretary of State \(SOS\)](#), [Ohio Republican Party \(ORP\)](#), [Ohio Democratic Party \(ODP\)](#), [X \(formerly Twitter\)](#), [Facebook](#) and [Ballotpedia](#).

All of the associations and organizations mentioned above choose to endorse or not to endorse for various reasons. You will note below that there are candidates whom all associations have endorsed, some whom most have endorsed, and others whom these associations simply agree to disagree. Please contact the respective association if you would like to know more about how to become a member and their endorsement process.

Monday, October 5: Voter Registration or Address Update. You must register or update your voter registration no later than 30 days prior to an election.

Tuesday, October 6: Early in-person Voting begins at county boards of elections or designated early-voting locations. Absentee ballots for regular, non-military and non-overseas voters also become available on October 6. Early in-person voting continues through Sunday, November 1.

Tuesday, October 27: [Applications for absentee ballots](#) to be mailed for the November 3 general election must be received by boards of elections by 8:30 p.m.

Tuesday, November 3: Election Day! Polls open from 6:30 a.m. to 7:30 p.m. All regular, non-military and non-overseas absentee ballots must be received by the appropriate county board of election by 7:30 p.m. on Election Day. This applies to ballots returned by mail as well as those delivered in person to an authorized ballot drop box.

Election Day – Voting In-Person

The polls are open from 6:30 a.m. to 7:30 p.m. on Election Day, Tuesday November 3, 2026. If you are in line when the polls close at 7:30 p.m., you are permitted to vote.

Ohio law requires voters casting a ballot in person to present a valid, unexpired photo ID that includes the voter's name and photograph. Acceptable forms of identification include:

- + Ohio driver's license
- + State of Ohio ID card
- + Interim ID form issued by the Ohio BMV
- + U.S. passport
- + U.S. passport card
- + U.S. Military ID card
- + U.S. military dependent ID card
- + Ohio National Guard ID card
- + U.S. Department of Veterans Affairs ID card

All photo IDs must have the following:

- + An expiration date that has not passed
- + A photograph of the voter
- + The voter's name, which must substantially conform to the voter's name as it appears on the Poll List or in the Poll Book

NOTICE: An Ohio driver license or state ID with a former address is acceptable as long as the voter's current residential address is contained in the official poll list.

Utility bills, bank statements, government checks, paychecks and other government documents are no longer acceptable forms of identification for voting in person.

A voter who does not provide an acceptable photo ID may cast a provisional ballot and generally has until the fourth day after Election Day to provide an acceptable form of identification to the county board of elections.

Voting By Mail

Any qualified Ohio voter whose voter registration information is current may vote by absentee ballot. Absentee voting by mail for the November 3, 2026 General Election begins Tuesday, October 6. To request and cast an absent ballot:

- + Visit VoteOhio.gov to request an application or download it
- + Complete the application and return it to your county board of elections. Applications for absentee ballots to be mailed for the November 3 General Election must be received by the board of elections no later than 8:30 p.m. on Tuesday, October 27.
- + Once you receive your ballot, mark all your selections and return the ballot according to the instructions provided.
- + All regular absentee ballots must be received by your county board of elections no later than 7:30 p.m. on Election Day, Tuesday, November 3. Unlike prior Ohio law, a ballot postmarked before Election Day but received afterward does not qualify under the regular absentee ballot deadline.
- + Military and overseas voters are subject to separate UOCAVA rules and deadlines.
- + Additional information, including absentee ballot applications and county board of elections information, is available at VoteOhio.gov

Are Employers Obligated to Give Employees Time Off to Vote?

Since 1953, Ohio law has stated, “no employer, his officer or agent, shall discharge or threaten to discharge an elector for taking a reasonable amount of time to vote on Election Day.” Ohio law also prohibits employers from using force, restraint, threats, intimidation or other means to induce or compel an employee to vote or refrain from voting for or against a candidate, question or issue. A violation of this provision is punishable by a fine of \$50 to \$500. For a list of other state employee voting laws [click here](#). Therefore, employers should encourage, not discourage, employees from voting. But, it’s not just about voting. It’s about making sure electors are educated voters and take the time to vote on every candidate and issue on the ballot. Voter participation can vary considerably from one election to another, and voters may choose not to cast a vote in every race or issue appearing on their ballot.

While the 2026 Election Guide is not exhaustive resource, it can serve as a reminder to vote for your employees or members and provide them with the tools they need to be an educated voter on all the candidates and issues for the November 3, 2026 ballot.

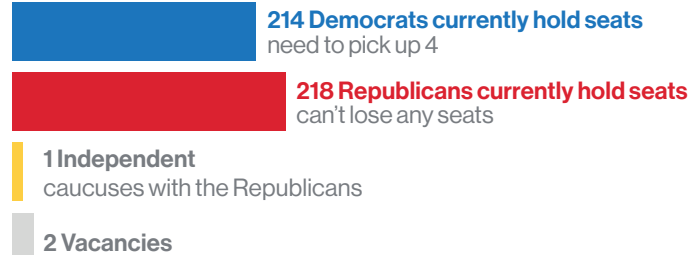

Balance of Power

Republicans + Democrats are trying to pick up as many seats as possible to tip the balance of power at the national and state level. Here is a quick breakdown of how many seats each party needs to pick up in order to take control of their respective chamber.

Ohio House Districts 2024-2032

(as adopted 9/29/2023)

Statewide Ballot Issue

Voters statewide will get to decide the outcome of a proposed Amendments to the Ohio Constitution to reform the state's legislative redistricting process.

Issue 3

To Require Voters to Present Photo Identification in Order to Vote

Proposed by Joint Resolution of the General Assembly to enact Section 5 of Article V of the Constitution of the State of Ohio

A majority yes vote is required for the adoption of Section 5. The proposed amendment would:

- + Require voters to present an approved form of government-issued photo identification in order to vote.
- + Allow state law to provide for an alternative method of verifying a voter's identity for a voter who has a sincere religious objection to being photographed and, therefore, does not possess an approved form of government-issued photo identification.
- + Require that voters who do not vote in person provide an approved form of government-issued photo identification, unless the law authorizes those persons to vote by providing a signature and at least one other specified unique identifier.
- + Define approved forms of government-issued photo identification as an unexpired Ohio driver license or state identification card; a United States passport or passport card; or a United States military identification card, Ohio National Guard identification card, or United States Department of Veterans Affairs identification card.

If approved, the amendment shall take effect immediately.
